## **Proudly Supporting Military Families!**

Seaspray Condominiums proudly supports our Military by offering a Military discount to all active duty personnel. Seaspray Condominiums is a privately gated community on the Gulf of Mexico. Sugar white sand, emerald green waters, and sensational sunsets await your family. Seaspray's townhouse style units consist of fully equipped kitchens, one, two, or three bedrooms (sleeps 6-8 people) and a living and dining area. Some units accept small pets. Come see why our beautiful, grassy courtyard and our family atmosphere separates us from the rest.

Just moments from shopping, churches, restaurants, fishing, golfing and amusement centers.
